

## 1st GEOMETRICA Borders Collection Price List

---

Europe (AU, BE, CZ, DE, FR, GR, HU, IT, NL, PL) , 2011

## Note:

1. This list contains door delivery prices for the E.U. countries as follows:  
Austria, Belgium, Czech Republic, Germany, France, Greece, Hungary, Italy,  
The Netherlands and Poland.
2. - Borders are delivered in random lengths usually between 80-100 cm,  
ready glued, head-to-end matched;
3. - Prices are calculated as DDU (Delivered Duty Unpaid) INCOTERMS 2000,  
dispatched with DHL; Prices valid for companies with VAT code valid in the country  
of destination. For companies not registered as VAT payers the price will contain  
the Romanian VAT current quote of 24%.
4. - All orders are subject of seller's prior acceptance;
5. - Modifications of wood specie position inside the patterns possible;
6. - The present offer stands valid throughout 2011 until changes will be  
applied.
